## Integrated Parking Solutions, Inc. Clarifies October 24<sup>th</sup> Announcement

BANNOCKBURN, ILLINOIS - - November 10, 2006 - - Integrated Parking Solutions, Inc. (IPS) (OTC: IGPK) today clarified the press release dated October 24, 2006.

A spokesperson said, "The press release should have stated that the New York City ("NYC") Department of Sanitation received the 2006 Excellence in Technology Award for the Best Application Serving an Agency's Business Needs for the Notice of Violation Administration System (NOVAS) from the NYC Department of Information Technology and Telecommunications. IPS was a sub-contractor on the project and was instrumental in developing and deploying the handheld field computers."

**About Integrated Parking Solutions.** Integrated Parking Solutions is a leading provider of turn-key mobile handheld enforcement solutions for on-street and off-street parking for universities, corporations and some of the nation's largest municipalities. Also, the Company designs, develops and implements the most advanced wireless data acquisition and communication products specifically designed for the expanding needs of parking and intelligent transportation industries.

**Forward Looking Statements.** Statements made in this news release that relate to future plans, events or performances are forward-looking statements. Any statements containing words, such as, "believes," "should," "anticipates," "plans," or "expects" as well as other statements are forward-looking, and those statements involve risks and uncertainties outside of the control of the Company and are based on current expectations. Consequently, actual results could differ materially from the expectations expressed in these forward-looking statements.
